EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Marcus Dolce on October 26, 2005.

The application has been amended as follows:

In the Claims:

Claim 1: --movable-- has been added to line 5 after "at least one".

Claim 13: --movable-- has been added to line 4 after "at least one".

Claim 24: --movable-- has been added to line 5 after "at least one".

Claim 34: --movable-- has been added to line 6 after "at least one".

Claim 36: --movable-- has been added to line 6 after "at least one".

Claim 38: --movable-- has been added to line 6 after "at least one".

2. The following is an examiner's statement of reasons for allowance:

Claims 1-9, 12, 39, 40: The prior art of record does not disclose or suggest a sign system assembly comprising at least one movable alphanumeric locator configured to fit within the opening of the template and be properly located in position by aligning a portion of the at least one alphanumeric locator with the scale of the template in combination with the remaining limitations of the claims.

Claims 10, 11: The prior art of record does not disclose or suggest a sign assembly including a panel comprising an outer margin, the template and a guide in combination with the remaining limitations of the claims.

Claims 13-20, 23, 41, 42: The prior art of record does not disclose or suggest a sign making system assembly for a frame having a face comprising at least one movable alphanumeric locator configured to fit within the opening of the template and be properly located in position by aligning a portion of the at least one alphanumeric locator with the scale of the template in combination with the remaining limitations of the claims.

Claims 21, 22: The prior art of record does not disclose or suggest a sign making system assembly including a panel comprising an outer margin, the template and a guide in combination with the remaining limitations of the claims.

Claims 24-31, 43, 44: The prior art of record does not disclose or suggest a sign making system assembly for placing alphanumeric symbols on a frame having a face comprising at least one movable alphanumeric locator configured to fit within the opening of the template and be properly located in position by aligning a portion of the at least one alphanumeric locator with the scale of the template in combination with the remaining limitations of the claims

Claims 32, 33: The prior art of record does not disclose or suggest a sign making system assembly including a panel comprising an outer margin, the template and a guide in combination with the remaining limitations of the claims.

Claims 34, 35, 45, 46: The prior art of record does not disclose or suggest a method of accurately making a sign comprising providing at least one movable alphanumeric locator, locating the at least one alphanumeric locator within the opening of the template and aligning a
